ORDINANCES.

AN ORDINANCE to amend Sub-Section 55 of Sec Purpose.

Passed second and final reading by General Council, June 21, 1878.

A true copy: Crabter Belicher City Register.

AN ORDINANCE creating a "Supply Committee" for the Purchase of supplies, etc., for the city. Whereas, The fabulous prices now paid for every article used by the city is not only unjust and totally destructive to the well being of any corporation; and whereas, much of this enormous outlay might be curtailed by a thorough system of purchasing by contract; and whereas, the different heads of the various departments are not always presumed to be familiar with prices of commodities in their various departments, and consequently are compelled to be at the mercy of those from whom they purchase; therefore, Section 1. Be it ordained by the General Council of the city of Memphis, That all supplies, repairs or articles of any kind used in the various depart-

ments, shall be purchased or repaired as hereinafter provided.

Section 2. Be it further ordained. That there shall be appointed a committee of three from the Common Council and two room the Board of Aldermen, to be styled "Supply Committee," which shall be changed every three months, commencing with the passage of this ordinance, whose duty it shall be to examine all applications for supplies, repairs, etc. examine all applications for supplies, repairs, etc., submitted it the heads of the various departments; they shall then proceed to purchase the same or have said repairs made, by the lowest and most responsible bidder? provided, however, that all applications as above provided must first be approved by the various Standing Committees to which they have been referred, and to which they properly belong.

Section 3. Be it further ordained, That all moneys coming in from the various departments of the city shall be set apart and credited to said departments as a special fund, only to be used in the purchase of supplies or repairs of said special department; provided that this ordinance shall not apply to general or privilege tax regularly made and provided for by law.

Passed second and final reading by General Council, July 3, 1878; and by Aldermen July 5, 1878.

Approved July 10, 1878.

J. B. FLIPPIN, Mayor.

Attest: CRABTREE BELCHER, City Register.
